AFFORDABLE DELIVERY OPTIONS

MDI Achieve offers a full range of delivery options for all of our software products. Whether you choose to purchase or rent the software, it can be hosted by your organization or accessed over the Internet. There is an MDI Achieve delivery option that fits your budget and technology requirements.

SUPERIOR CLIENT SUPPORT

Client Support is a hallmark of MDI Achieve. Our service professionals are available to answer questions and help resolve issues twenty-four hours a day, seven days a week. No other software vendor in the eldercare industry delivers the level of support that you receive from MDI Achieve...period.

ON-GOING TRAINING

MDI Achieve is committed to our clients' success. To help ensure this success, MDI Achieve offers extensive, on-going training. The training begins at the basic level and extends to advanced sessions to ensure that our clients receive the most from our software. Plus, we offer a variety of training opportunities to meet your specific needs, including on-site, on-line and self-training options.

LONGEVITY IN AN EVER-CHANGING INDUSTRY

For more than twenty-five years, MDI Achieve's philosophy has been to serve as an extension to our nationwide client base and to support their software needs for maximum efficiency and profitability. Our goal is to build a long-term relationship with each client.

In addition, MDI Achieve is poised to grow and evolve with the eldercare industry. As eldercare communities diversify the services they offer, we will continue to enhance our product offering to help manage those services more efficiently. And as the eldercare industry changes through shifts in reimbursement and regulatory requirements, MDI Achieve pledges our commitment to making these transitions easier with the most efficient and productive software available.
